MICHAEL PATTERSON)	

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on October 29, 2015. At the hearing, defendant moved to withdraw his not guilty plea to Count One of the thirteen-count Indictment and entered a plea of guilty to the lesser included offense of the charge in Count One, that is of conspiracy to distribute and possess with intent to distribute five grams or more of methamphetamine (actual) or fifty grams or more of a mixture and substance containing methamphetamine, a Schedule II controlled substance, in violation of 21 U.S.C. §§ 846 and 841(b)(1)(B) in exchange for the undertakings made by the government in the written amended plea agreement. On the basis of the record made at the hearing, I find the defendant is fully capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by defendant; the plea is made voluntarily and free from any force, threats, or promises, apart from the promises in the amended plea agreement; the defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.
